Comp Reform

State Chamber Member to Address Workman's Compensation Reform

By KATIE MARTIRE
reporter1@psi.net

Mike Seney, with the Oklahoma State Chamber, will be visiting Guyton on Thursday, October 15, at the Ambassador Inn Restaurant to discuss workman's comp reform, in regards to what

is being accomplished and what still needs to be done. Seney is a part of the State Chamber team which includes a staff of full-time, professional lobbyists who can help with legislative and regulatory issues that affect local business. Feel free to consult with the expert who is working to protect Oklahoma businesses and helps businesses profit through legislative advocacy at the State and Federal Capitols. All employers and business owners are encouraged to come and hear Seney speak. If interested one must RSVP by sending the number who will be attending to predc@psi.net or call 580-338-8550.
